Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this planning application for a number of reasons 1 The unmanageable impact on local services already at capacity ie GPs and schools 2 Protecting the natural habitat of all the wildlife currently on this site. 3 Poor public transport services that would lead to an increase in traffic on already poorly maintained and very busy local roads ie A227 4 By using these regularly farmed fields for development will impact negatively on food security for the future

Kind regards
