Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Planning ref: 20260207. The size of this development is completely out of proportion for the size of our village. There is already too much green belt being built on around Kent as it is. The roads are already congested. Your proposal for a primary school is just a sticking plaster to try and get this development approved, to insure you can inflate your profits. Darenth Valley and the local doctors are already overwhelmed. Why don't you concrete over Camer park while you're at it, that way you can make sure any wildlife in the area will die out.

Kind regards
