Reasons for comment:

Comments:	I was born and brought up in Meopham. I hope to return as my parents age. I'm very concerned about the increase in traffic since I left for university. If this proposed development goes ahead Green Lane will become even more dangerous and congested. The A227 will be even more gridlocked than ever in the mornings and the afternoons. My [REDACTED] parents cannot get GP appointments now and it's impossible to be seen at the hospital because the existing infrastructure cannot cope now with the number of residents. My [REDACTED] live in Norwood Lane. The lane is constantly underwater in the winter and the area between Norwood Lane and the Blundell Shaw woods was flooded for all of this winter. The water board has already said it can't cope and this is evident from the frequent flooding on the A227 at the bottom of Norwood Lane. The field proposed for development is currently greenfield land used for crops. This therefore should not be considered for housing. Farmers need to feed the nation.
