Reasons for comment:	
Comments:	I'm objecting to the development of 725 houses etc. In the few years I have been with [REDACTED] Norwood Lane I have noticed the increase in traffic on roads that are barely able to cope. I find it astonishing that there is a proposal to build many hundreds more houses in the area. The A227 can't cope now. Whenever we visit it takes as long to get from Culverstone to Norwood Lane as it does from leaving the A3 to join the M26 at Wrotham. Green Lane is dangerous and overused now. More houses will mean more traffic. I'm worried that my [REDACTED] cannot access GP appointments now. They seem to wait months for dental appointments and have waited six hours or more for urgent treatment in the local hospital. The infrastructure cannot cope now. The field opposite my in-laws is used for crops. It is a greenfield site and therefore should be left as such.

Kind regards
