Reasons for comment:	
Comments:	I am very concerned that the conversion of the Woodland into a Mc Donalds will greatly increase traffic along an area which has seen an enormous increase in lorries and larger vehicles and cars, creating congestion. Parking for residents is already severely difficult this will potentially exacerbate the problem. More importantly there will be further rise in litter, especially in and around the PARK (next to it) and thrown into our front gardens, also the potential for anti social behaviour on the paths and in the Park. The park currently is used by many young people and groups for sport, and enjoyment, it would be a travesty if this was to be lost to the local community.

Kind regards
