Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Meopham and the surrounding area are being subjected to a huge number of planning applications which the area will not be able to support. The roads are already congested, schools and health care provision is already at capacity or in excess of capacity and the drainage system cannot cope with the existing demand. The loss of wildlife habitat, should the application be approved, would be nothing short of criminal with many species living in and around the proposed site - Kestrels, Hobbys, Woodpeckers, Glow Worms, Skylarks to name but a few. The village would lose its character and sense of community and the loss of greenbelt would see Sole Street and Meopham effectively merge. Roads already flood in the area and increase in concrete will only make this situation far worse.

Kind regards
