Reasons for comment:	
Comments:	I would like to submit my objections to this planning application. I have lived in meopham for over 40 years and have seen many changes, but this is the worst. You should not be building on green belt land. The environment, roads, schools, doctors cannot sustain the increase in population in Meopham they are already over run. I might also add that some people rely on public services to get them to work, how will they get to places like Gravesend, Bluewater or the hospitals when the bus service stops running early evening.

Kind regards
