Reasons for comment:	
Comments:	I object to this proposal as I believe the volume of dwellings being proposed have the potential to impact the existing infrastructure of Meopham in an incredible negative manner. There is effectively only a single route out of the estate onto Wrotham Road and to allow that volume of traffic onto a single carriageway road has the potential for disastrous results. The road is already extremely congested at busy times of day, so to increase the strain will impact both the inhabitants of the village and all those who use the road for access to surrounding areas. A change of this nature can only bring misery to the lives of all these individuals.

Kind regards
