Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Take into account environment - natural beauty/animals what will happen there Infrastructure - road extra traffic especially with lower thames crossing as well. Have you ever been here at school time?? Doctors and hospital no room now unable to get appointments. Water sewage and electric supplies will need to be sorted!!! There is already flooding On A227. People are already having to cope with power cuts without further housing added to this Pollution will be off the chart. Meopham needs to be kept as a village not a town!!!

Kind regards
