Reasons for comment:	
Comments:	I should like to confirm my comments to Gravesham Borough Council regarding the above appeal: This is an illegal site development on green belt land and the appellants have been offered a legal site within the Borough. Their continued applications some of which are retrospective are blatant attempts to further frustrate the law, the wishes of the Borough Council and the residents of Sole Street. In addition the site is also being used to run businesses from with the consequent increase in vehicular traffic in White Post Lane, which is unsuitable for this type of use.

Kind regards
