

20250161 Britannia Refined Metals Ltd EIA Scoping

Port of London Authority 19.3.25

Thank you for consulting the Port of London Authority (PLA) on the above-mentioned request for a scoping opinion in accordance with the Town and Country Planning Act (Environmental Impact Assessment) Regulations 2017 in respect of an EIA Scoping Opinion in respect of the proposed construction of 3x wind turbines at Britannia Refined Metals Ltd, Botany Road, Gravesend. I have now had the opportunity to review the submitted scoping report and can confirm the PLA agree with the recommendations in the report for the following topics to be scoped in and prepared as part of a forthcoming planning application:

Communications: Support that the Scoping Opinion recognises that the further assessments that will be carried out for the Environmental Statement will continue with further direct ongoing consultation with the PLA on this topic. This is considered essential as part of the assessment of the appropriateness of wind turbines at this location.
