Reasons for comment:	
Comments:	Hi i object to this planning application I use this route to cycle the travellers site would harm the environment and cause unnecessary traffic for cyclists and the residents. I does not fit in the area and there are far better locations in Kent suited to site. I occasionally visit the See ho should this be given the go ahead I will no longer be attending it or riding down his prestigious lane anymore some places need protection i believe this road and its surroundings needs that as the most prestigious road in the area.

Kind regards
