Reasons for comment:

Comments:	When 55 Beresford Road started having "work" done they were working very early in the mornings every day even at the weekends (my children's days to have a chance to lay in) and stupidly late in the evenings when they have to get up for school and college. Also when I go to my friends [REDACTED] for lunch/dinner she has had to have her lights on all through the whole day because what 55 have built completely blocks all the windows of the natural day light! It's really not fair.
