Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the building proposals for Longfield Road next to Helen Allison School as the School children have special needs, are highly sensitive and depend on a calm, uninterrupted environment. This will cause much distress to the children and all those involved in their care. Not only this, the increase in traffic will be detrimental to the environment and the local area. It is already a congested area and building here will be completely unsuitable.

Kind regards
