Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the building proposal for Wrotham Rd, opposite the parade of shops as this will cause a huge amount of disruption to the school area. The area is already busy and this will have a negative impact on the lives of locals. The area is of natural beauty and should not be destroyed. The area is used for food production and the country is not in a good position to be losing farmland.

Kind regards
