Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This would mean the destruction of our green belt and the loss of more open spaces, beautiful countryside and fresh air. There is insufficient infrastructure to support this number of houses. The local roads are already congested, the schools are full and doctors surgeries and local hospitals are already at capacity. It would be completely inappropriate to build this many houses in this area.

Kind regards
