Reasons for comment:	
Comments:	I neither support nor object to this application. However, if the local authority is minded to grant planning permission under this application I would ask that they satisfy themselves that there will be enough off road parking for vehicles using that address. From experience the occupants at [REDACTED] Dene Holm Road often park up to three vehicles on the carriageway outside their property, sometimes on the road, sometimes half on the carriageway / half on the footpath making it awkward for pedestrians and motorists.

Kind regards
