Reasons for comment:	
Comments:	Objections based on a large farmland that is fully used for food production 350 houses means potentially twice as many cars There is no adequate bus service KCC have already completed a local transport plan on the A227 by the parade of shops hoping to provide a safer environment for road users and ease congestion. The amount of additional vehicles will compromise this and cause potential harm This section of Wrotham Road is full of parked cars alongside Meopham Community Academy and Mini Meopham Nursery. The additional cars will be a threat to the start and finishing times. There is no need for these houses and it a threat of a loss of farm land

Kind regards
