Reasons for comment:	
Comments:	<p>Will cause more traffic congestion especially at school times making it busy, noisy and dangerous and polluting the countryside. Busy shopping parade of shops cannot cope with any more drivers parking in the area, already very busy. Would make the village shops overly busy and not able to cope with more shoppers.</p> <p>Would ruin a beautiful conservation area which would be criminal and take away the charm of an English village known for its beauty.</p> <p>The width of the road in the proposed area would not be suitable for construction vehicles and would be very dangerous to pedestrians and school children.</p> <p>It is not a good idea to build on this plot of land in this area, more housing is not needed.</p> <p>We have recently moved into Meopham from Medway to get away from noise and traffic and would be devastated if we had building lorries in the area ruining the peace and quiet that we, among plenty of other elderly people have retired to. It would be terrible and not wanted.</p>

Kind regards
