## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Having read the highways comments there are many issues to be addressed before they will commit to object or support. the plot exits directly onto the Longfield road which is a fastrack lane. Speeding is prolific . Site not near enough to shops/ doctors etc so would still need to use a car . No lighting on road at all. Many heavy goods use this road as a cut through. Very near SEN school with already immense parking issues. 100% green belt site . key concern is traffic and speed along this stretch of road and increased congestion at junction of A227 which is already heavily used at all times.

Kind regards
