Reasons for comment:	
Comments:	<p>I object to the construction of any houses on this plot of farm land in our Greenbelt. I am a local member of this community, who has lived in close-by Nursery Road, [REDACTED]</p> <p>It is unacceptable to allow extra housing in an area where the roads, Doctors, Dental practises and local schools cannot cope with the existing number of properties and residents already living here! Each extra property will bring at least 2 more vehicles to our roads, and even more as their children get older!! The A227 is already far too busy, and is subject to LONG delays. A lot of traffic already goes through Meopham, so that the drivers can access the M20 and A20 from the A2 and other roads. especially, the HGV's!! The local roads are too narrow to be able to cope when there is a diversion.</p> <p>The trains won't be able to support the extra people trying to go to and from work, as they are already full, especially during the peak period. Commuters have to stand on their train all the way to their destination. These are long distance trains, which go to and from the North Kent area to the coast and London!</p>

Kind regards
