Reasons for comment:	
Comments:	<p>This proposal is dangerous, will create congestion and massive strain on local services.</p> <p>The influx of vehicles, to supply and build some 350 properties, then the 1-2 cars per household and service vehicles, would cause major havoc to this area</p> <p>Everybody locally knows how dangerous the access onto the A227 at Meopham is, at the parade of shops and to Green Lane (which is very narrow at that point.</p> <p>This area of Meopham is full of parked cars, particularly alongside Meopham Community Academy and the nursery at school start and finish times.</p>

Kind regards
