Reasons for comment:

Comments:	<p>This is Greenbelt Land and should not be developed for dwellings. Should be kept as a green space.</p> <p>Norwood Lane is a narrow lane with individual country houses and should not be used for building purposes. It is a nice, quiet pretty area which would suffer greatly from unnecessary development.</p> <p>The volume of traffic would cause major congestion on the narrow lanes in the area.</p> <p>We have recently moved to Meopham to retire in a quieter area from a busy town and we are horrified to hear of these development applications. On a personal note we would hate the noise of heavy traffic and building vehicles, and strongly object to any developments going ahead in this lovely area.</p>
