Reasons for comment:

Comments:	I would like to object to the proposed development west of Norwood Lane . I have lived in Meopham since I was young and have seen Meopham get busier over the year , with the roads getting more congested . Where the proposed building work will be it is a very dangerous road and it is only small rural lane and would make it so dangerous with more cars on the road . Meopham is not a big village and cannot cope with more houses and more traffic on the road . There has been some bad accidents over the years and there will be a lot more if this goes ahead . Also the schools and doctors have no more room for this amount of people . This is also good farmland which we need to keep not build on . We will never get this farmland back again . We need to protect our farmland and countryside and keep our villages as they are . There is enough brown belt in the Kent to build on . Leave our countryside alone , we are proud of it .
