Reasons for comment:	
Comments:	The planning for more homes in the Meopham or Istead Rise is completely ludicrous. I live in Istead Rise and at times there is so much traffic on the main road to Meopham or Gravesend already that it is dangerous pulling out onto it. There is not enough capacity at the existing schools doctors dentist etc. People are already travelling in from far and wide to drop off their children due schools being in academies including Dartford areas. The amount of traffic along the A227 is detrimental to air pollution and dangerous.

Kind regards
