Dear Mrs Webster,
'BLACK HORSE COTTAGE' ROUND ST COBHAM. [Ref 20220428]

Thank you for calling me today and further to our discussions regarding joinery details, I enclose additional information as requested as follows:

- Dwg A/1: Another copy of general details for window joinery for Bedroom 3 [as previously submitted].
- Dwg A/2: General ground floor part - plan showing new window and French door locations units W1 to W9 inclusive.
- Dwg A/3: General arrangement of windows and doors W1 to W9 inclusive showing typical elevations of all new joinery units and also general details for the French doors.
- Dwg A/4: Typical plan details of junction of new windows in external and internal corner locations.

I also confirm that all double glazing in critical locations to be 24mm toughened/toughened glazed units; also the edge spacer in the d/g units to be coloured 'black'; all external joinery to be finished stained 'black' and internal joinery finish to be painted to suit applicant. Furthermore all opening casements to be hung on pair of 100mm brass butts and all opening French doors to be hung on 1½ pair of 150 brass butts. All window /door furniture to be 'black' antique finish.

I would add that I have sent a copy of the enclosed details and this letter direct to the Conservation Architect [Mr Allan Cox] Who is currently on vacation until Monday 23rd Oct as far as I am aware.

My apologies for delay in getting this information to you and trust that this gives you the outstanding information you require.

Yours sincere

P Thomas
