Reasons for comment:	
Comments:	<p>A terraced house midway down a residential street is no place for a children's home. These houses should be for family use not an ever changing environment with staff and 'clients' moving in and out daily.</p> <p>It appears that the owner is attempting to maximise his return on his investment and not simply update and modernise the existing dwelling.</p> <p>The proposal has caused a lot of consternation and worry for local residents and must be rejected.</p>

Kind regards
