Comments:	I fully support the Bark Park, it is such an ideal place to take dogs whilst giving owners peace of mind, knowing that there are no other dogs there, especially for older dogs. It is a lovely area, well maintained and perfect for my dogs. It is in my opinion a much needed addition to the dog community. There are some dogs who have to stay on a lead if they are out and about, and this is an essential place where dogs can run free without the fear of other dogs and their owners can relax knowing their dogs are free to exercise without any worry.

Kind regards
