Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I object to to the building application to erect 4 dwellings on this site and to knock down the house that is standing, building4 houses on this small politics unjustified. The only difference from the last application is to reverse were the buildings will be. The plans do not specify whether these buildings will be houses or bungalows. There is concern for parking as most houses have 2 to 3 car's plus work vans that are parked. It states there is no hedges or trees this was all taken down before anyone saw the plans, there is trees on the adjacent land. I have lived here for 45years and I do not want to be over looked from the opposite side invading my privacy. this will make lots of dust and heavy vehicles turning onto the land, why take down a nice house with no structural damage to be replaced by another building,
-----------	---

Kind regards
