Reasons for comment:

Comments:	I object to the planned building work that is due/planned to ruin the country side , who wants to see all the country side ruined but yet more houses ruining all the greenery, yet again one bit of decent size field /land/greenery people see greed. I moved away from an area that is filled with houses no views just same ugly bad built new builds that are put up in no time badly built . Leave the land as it naturally was a nice field for animals to live , nice views . Had enough of people trying to cram houses everywhere . You will also ruin the traffic there and school run and the nice school there . Take your greed somewhere else go and take down old council abandoned blocks and build there leave this area alone and nice scenery like I said before we don't want to see badly built new builds that look the same no taste no style Same badly built new builds that fall apart after 3 years
-----------	---

Kind regards
