### Description

Please describe details of the proposed development or works including any change of use

The construction of a Multi Use Games Area (MUGA) on the school field outdoor at Culverstone Green Primary School which is a one form entry primary school with 204 students currently on roll.

An application has been submitted to Sports England that we satisfy: The proposal for a MUGA would be assessed against exception 5 of the policy. In that regard, and based on the surface being 3G or similar, Sport England is unlikely to object to any proposal that is able to maintain sufficient grass playing field to accommodate an U7/U8 football pitch with safety runoff areas to FA recommended dimensions on the remaining area of playing field. The relevant dimensions would be 37m x 27m (43m x 33m inclusive of 3m runoffs on each boundary).

24m x 12m MUGA with 2m x 1m Goal Recesses

Short pathway to reach MUGA from existing tarmac playground

2m high Twin Wire Double Mesh Rebound fencing system

2 x single access gates

White Goal Recesses

Green, Red and Blue Multi Sport Surfacing

Inlaid white lines - Penalty Ds, centre circle or dash and thirds

Pre Cast Concrete edge to enclose MUGA and pathway
