Reasons for comment:	
Comments:	Establishing another settlement in the area of Whitepost Lane and Sole Street will further damage what was a very natural area with many trees and mixed farmland. Whilst I appreciate that the farmland in the area has not been cultivated for a long time, I feel that the land should be put back to Agriculture. In addition the damage and vandalism that was done in Whitepost Lane to the mature trees on either side of the Lane is totally unforgiveable. How can we allow people who have no concern for the environment to locate in this area.

Kind regards
