Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Greenbelt Policy: Prevent urban sprawl by keeping land permantly open, the merging of town and villages - sole street and hook green will merge Safeguard the countryside, protect natural habitats, ancient ecosystems, flight paths of birds, hunting grounds for mammals and habitats will be destroyed. Preserve the character of villages. The unique character of sole street and hook green along with the communities will be shattered by excessive impacts on local amenities which are already at capacity. Lack of local infrastructure both Meopham and Istead rise GP practices are both at capacity. Traffic increase could see around 1,450 extra cars. Emergency vehicles to houses on Norwood lane would be impeded Additional traffic will cause pollution, development will cause light pollution. Concerns over food security.

Kind regards
