Reasons for comment:

Comments:	I object to the Change of use of land to form a Gypsy/Traveller site comprising the siting of 2 mobile homes, 1 touring caravan, and 1 dayroom the whole area, with multiple and confusing applications, for change of use, has significantly impacted the area. Notable increase in traffic along whitepost lane and nurstead lane, problems in using the lane - 3 new access driveways with high fences causing safety concerns driving and walking along the roads. this development and installation of a significant increase in residences to a previously arable field is surely is not in line with gravesham planning plans. the area was fields and full of nature and is now full of tarmac, high fences, dangerous access to new driveways. completely changing the use of the area.
