HERITAGE STATEMENT

DAVENPEN, FORGE LANE, SHORNE, GRAVESEND, KENT, DA12 3DP

INSTALLATION OF SOLAR PANELS ONTO GARAGE ROOF

EXISTING PROPERTY

Davenpen is situated on Forge Lane which connects the main village centre to the A226 Gravesend Road

Davenpen is located in the Shorne Conservation Area

The erection of the double garage was granted planning consent under application no 20110787

EXISTING GARAGE

PROPOSAL

This application is for the installation of 10no 1000 x 1700mm panels located on each roof slope of the garage

The panels will be black within a black frame which will blend with the existing black tiled roofs

SAMPLE OF SOLAR PANELS

The existing garage is located within the rear garden of the main dwelling on an almost North-South axis and some 17.0m from the main dwelling and over 31.0m from the road (Forge Lane)

Although partially visible from Forge Lane, the garage is sited sufficiently away from the road that the solar panels will not cause any disruption to the street scene of the view between Davenport and the cottages next door.
