| Stance:              | Customer objects to the Planning Application   |
| Reasons for comment: |  |
| Comments:            | I object to this proposed planning. The infrastructure is not set up for the amount of homes that are being applied for. It's not just Blackthorne Farm, but other sites in and around Meopham. It's pretty much impossible to park at the shops in the parade now, which will only get worse. The waiting time to get an appointment at the medical centre takes weeks.<br>I thought that being in an area of outstanding natural beauty would make planning impossible, but I suppose money talks.<br>How many more people can they cram into Kent ? |

Kind regards
