Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this application. It will completely destroy the greenbelt between Meopham and Sole Street as well as impacting the beauty and serenity of Camer Park. The amount of traffic that will flood onto Wrotham Road at peak times will make this road even more dangerous to cross to say nothing of the bottlenecks it will cause at the junctions with the A2 and the A20 and along the road to Meopham secondary school and Camer Parade. Upwards of 1,500 residents requiring access to doctors, dentists, and Darent Valley hospital that are already over capacity? Purely asking the developers for money will not solve these infrastructure issues.

Kind regards
