Thank you for consulting us on the above application.

We have no comments to make on this planning application as it falls outside our remit as a statutory planning consultee. Please refer to the attached 'When to consult the Environment Agency' document for guidance on when to consult us.

Please note: If the application at a later stage proposes the use of non-mains drainage, we will need to be re-consulted.

Non planning consents

Although we have no comments on this planning application, the applicant may be required to apply for other consents directly from us. The term 'consent' covers consents, permissions or licenses for different activities (such as water abstraction or discharging to a stream), and we have a regulatory role in issuing and monitoring them.

The applicant should contact 03708 506 506 or consult our website (<https://www.gov.uk/guidance/check-if-you-need-an-environmental-permit>) to establish whether a consent will be required.

If you feel we should assess this planning application in more detail due to local issues/opportunities please email KSLPLANNING@environment-agency.gov.uk

Kind regards,
