Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object for the same reasons I objected in the first application. Shorne is a small village of mixed properties but an application for mobile homes and caravans is just not appropriate. As seen from the previous pictures of the disruption caused whilst a mobile home was being taken onto the site, this type of situation is just not relevant to our village. If permission is granted, who knows whether further caravans etc would be put on the site.

Kind regards
