Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is a totally inappropriate development for this location. This is a narrow road with no pavement to this location. There is also no street lighting. A day centre for travellers is likely to attract a high level of traffic and there would be very limited, if any, parking on site. This would create a danger to the public. I would also consider the site not large enough to accommodate all that is proposed.

Kind regards
