Windows

West-Port Windows

Purposed made timber windows
double glazed, flush casement

Black Stained

Flush-fit high-performance windows
Traditional timber aesthetics make them
ideal for renovation projects and
conservation areas, while foul weather
resistance to PAS23 and PAS24-rated
enhanced security offer outstanding
performance.

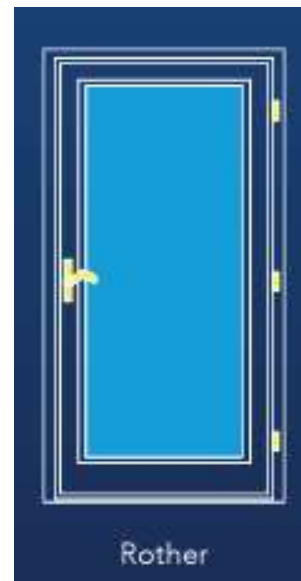

West Port Flush Casement comes with a
one piece espagnolette system and night
vents as standard, and all models feature
key-locking handles. In addition, the
products are fully compliant with the
police-backed Secured by Design
initiative, as well as the latest fire and
environmental regulations.

Entrance Doors

West-Port External Door Purposed
made

44mm insulated core, timber doors
Fully glazed option in glazed link.

Rainwater Goods

Alutec Aluminium rainwater guttering system

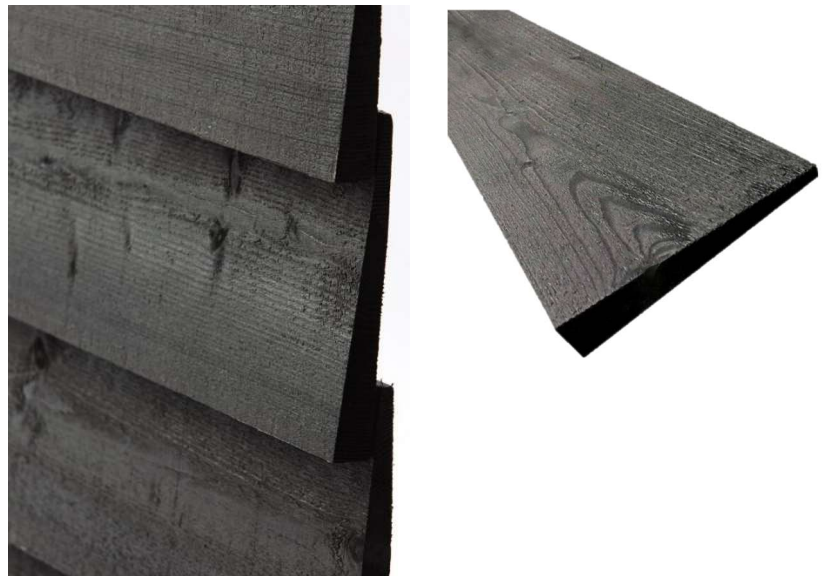

Traditional Half Round Gutters and circular down pipes

All finished in black.

Feather Edge Boarding

Traditional black stained feather edge timber boarding

Patent Glazing

Aluminium 'T' bars as Lonsdale Metal Company
Coloured: Black
