Reasons for comment:	
Comments:	The scenes of devastation to White Post Lane because of the unauthorised bringing of a mobile home is quite disturbing. It would seem that those involved have no respect for the laws and authorities involved. I understand that there is an injunction upon this land and I would hope that those Officers in the Planning Department would uphold what has already been passed and enforce removal. How does the amenity of water get to this site ? How does rubbish get removed ? What Council taxes are paid ? All people come under The law and Authorities and blatant breaking of these should be dealt with by all authoritative bodies involved.

Kind regards
