Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	There is barely enough infrastructure to support the current villagers and occupants. The school cannot hold more students, the doctors surgery is pushing people out to surrounding towns. The roads need improvement and there is limited facilities for current residents. Allowing this reduces the much needed green space and could effect the town in a detrimental way environmentally and socially.

Kind regards
