Reasons for comment:

Comments:	The plan to build on this land, in green belt, in a quiet, picturesque village is nothing short of an outrage. Meopham is a village, not a town. The quiet country roads and countryside around the proposed building works simply cannot handle the increase in houses and people, nor can the local infrastructure. it would lead to a catastrophe for Meopham and the surrounding areas. This simply cannot happen, will not happen, and the village and members of the public will do all they can to ensure it does not happen.
