Reasons for comment:	
Comments:	The plans would be disastrous for the village and local community. The countryside is slowing being destroyed. Our green belt areas are being lost The new plans would increase the footfall to the area which can not cope with the existing amount of people. The roads will be busier and increase the existing traffic problems, delays, pot holes and roadworks, especially on the Wrotham road. Local schools and doctors surgery will also be an issue coping with this amount of new houses

Kind regards
