Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Strongly object. The a227 is already a busy main road, with the extra traffic there will be more accidents and congestion, making it dangerous for our young children. parking around the village will become troublesome, and the beautiful village with plenty of green space will become non existent. It will have detrimental impact on environment and will change the feel of the village.

Kind regards
