Reasons for comment:	
Comments:	Agricultural land we cannot afford to lose. Roads are already congested and if 500 houses then at least 1000 more cars it will be grid lock especially with the new tunnel going ahead. Local facilities already over stretched. Appreciate need for more housing but it is always of the 4 bed variety not smaller properties and maybe bungalows that people could downsize to. Meopham losing its identity as a village. Can see Gravesend stretching along the A227 incorporating Istead Rise, Meopham and onto Culverstone. We are already the worst country in Europe for wildlife and taking yet more green land increases the problems.

Kind regards
