Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We cannot support so many new houses that are planned to be built in Meopham. Our roads are already under pressure. The council are constantly having to repair the A227 because of the constant throughput. We can't get appointments at our local doctors! They are overwhelmed already. The busses are literally non existent. The schools are at their capacity. This village simply cannot sustain so many new houses planned to be built. It is total madness!

Kind regards
