Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I object to the proposal for it will not be possible to get a static caravan of that width down Bowesden Lane . If allowed we could have a similar situation as in Sole St where trees and hedges were cut down illegally in order to get a Caravan through ! Also if it were travellers that were trying to use it, we know they ignore planning and other laws and move more than necessary caravans and vehicles on to a site and await legal enforcement against them, which in some instances can take years!! Also this application does not seem to be properly addressed or proposed and consequently I am left wondering what the proposal actually is and what could happen after if it was allowed. The potential disruption to the countryside in an area of ONB is mind boggling and would cause consternation to the residents of Bowesden Lane and the surrounding area
