Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strong object to these proposals due to the extra traffic on the A227 which can't cope as it is. The council can't even fill the pot holes. Then we have the issue of schools and doctors. These construction companies promise doctors surgeries etc, but they are never held to account when they fail to build them. It is a nightmare getting a doctors appointment as it is.

Kind regards
